

# Navi Collection - 94002/04

## FEATURES

If you love the cool look of leather but long for the warm feel of fabric, you can take comfort in this sectional. Wrapped in a fabulous faux leather with a weathered hue and hint of pebbly texture to resemble the real deal, this decidedly modern sectional proves less is more. Elements include angled side profiling and track armrests wrapped with a layer of pillowy softness for that little something extra. Prominent jumbo stitching and clean-lined divided back styling lend fashion-forward flair.
