FEATURES

Short on space but don't want to compromise on style or comfort? The Poppleton sectional with pop up sleeper and chaise has you covered. The multifunctional piece easily transforms from a cozy sofa to a convenient bed, making it perfect for small spaces and for accommodating guests. With USB charging and a drop-down table with cup holders—not to mention handy storage under the lift-top chaise—you'll have everything you need right at your fingertips. And the plush upholstery is a dream come true.
